

SIERRA VISTA NEIGHBORHOOD NEIGHBORHOOD ASSOCIATION

Minutes

November 9, 2015

In attendance were Karen Perrin, Carol Mossardi, Officer Timoney, and me, Ann Wasgatt, Secretary.

Officer Timoney explained that he was still working with engineering about Mrs Mossardi's complaint that when the business across the street parked across their driveway, she had a difficult time backing her car out without hitting the car parked opposite.

When Mrs Mossardi mentioned that a woman living across from Woodbridge Park saw high school kids loitering and smoking pot mornings before school started, his eyes lit up. We made sure he knew when the high school starts mornings and he will let his morning counterpart know about the pot smoking. The woman had been told it was legal to smoke pot in public.

Roseville has a no smoking policy in all public parks AND smoking pot in public is NOT legal without a permission card from Placer County. Officer Timoney said he has never seen one of the county cards in all his years of enforcing the policy.

Thanks to Officer Timoney, we had a very useful and educational meeting.

We canceled the December meeting due to holiday needs and preparations. The next meeting will be January 11 at 5:30. Come prepared to discuss plans for the yard sale and summer activities. There must be an election coming up soon as well and thought needs to be given to new candidates for the board.

Respectfully submitted by,
Ann Wasgatt
